

CAREER OBJECTIVE

Backend Developer with hands-on experience building scalable REST APIs, real-time systems, and data-driven applications using Python and Django REST Framework. Focused on clean architecture, efficient database design, and delivering production-ready backend solutions.

PROFESSIONAL EXPERIENCE

Stackly

Backend Developer

Dec 2025 – Present

- Built and maintained backend APIs for a **Job Portal** — job listings, user management, role-based access, and application tracking workflows using Django REST Framework.
- Developed backend services for an **E-Commerce platform** — product catalogue, order management, cart functionality, and payment flow integration using Django.
- Implemented JWT-based authentication, WebSocket real-time chat via Django Channels & Redis, and application-gated access control.

Sisco Energy Pvt. Limited, Tiruchirapalli

Production Engineer

Mar 2023 – Dec 2025

Managed end-to-end production execution for Siemens Energy AG projects (Air Intake Systems & Enclosure Systems for Wind Turbine Generators), overseeing quality control, ERP-based scheduling, technical drawing reviews, and on-time dispatch planning.

PROJECTS

Job Portal Backend

Complete REST APIs for job listings, user roles, applications & JWT auth using Django REST Framework.

Temperature & Weather Dashboard

Built and deployed a real-time API integration dashboard using Streamlit, enabling dynamic data visualization and monitoring..

E-Commerce SaaS Platform

Backend for product & order management with Django REST APIs and role-based access control.

Hospital BP Monitoring System

ERP Sales Dashboard

Built and deployed Streamlit-based dashboards integrating ERP data sources to generate real-time business insights and performance metrics.

TECHNICAL SKILLS

Python

Django REST Framework

Django Channels

WebSockets

Redis

JWT Auth

SQL / PostgreSQL

REST APIs

Streamlit

Power BI

Tableau

Fast APIs

EDUCATION

B.E – Mechanical Engineering

K. Ramakrishnan College of Technology, Tiruchirapalli

2021 – 2024

CGPA: 7.8

Diploma in Mechanical Engineering (DME)

Seshasayee Institute of Technology, Tiruchirapalli

2017 – 2020

68%

SSLC

Lions Matriculation School, Tiruchirapalli

2017

89%

CERTIFICATIONS

- Python – GUVI
- Autodesk Fusion 360 – LIFT India
- MEP Certification – Unique MEP Engineering Institute
- Internship Certificate on PPC – Sisco Energy Pvt. Limited

PERSONAL INFORMATION

Date of Birth: 20 August 2001

Father's Name: Venkateshkumar

Passport No.: AB406236

Place: Lalgudi, Trichy, Tamil Nadu
